

SUEDE & VELVET

Textural materials such as suede and velvet are incredibly popular this fall and winter season and translate well into footwear. A fabulous fashion boot made completely of suede or velvet - or even as a component of a mixed media styled boot, will be a hot look for many cold weather months to come.

SIMPLY CLASSIC

Classic boot silhouettes such as a great riding boot, a simple over-the-knee style, or a basic bootie, can carry you through many seasons without going out of style. A basic boot will provide a stylish foundation to allow the rest of your outfit to shine regardless of weather conditions.

Regardless of the latest and greatest new fall fashion color palette, traditional autumnal colors inspired by the beauty of nature will always be in style every fall season. Picture warm tones of tans, browns and grays and bold pops of rich golds, yellows, oranges, plums and reds against the blue hue of the perfect fall day sky – that's the vibe we're talking about. These earth-inspired colors need never be considered boring or bland and can be easily incorporated into your wardrobe as well as your beauty regime as either an all-over statement or simply a fresh splash of stunning fall color. Michigan fall is here in all its glory – celebrate and enjoy!
