**style** | **WARM & DRY** Embrace fall weather with boots that are both stylish and sensible.

- 1 Keep toes toasty in leather boots with a soft microfiber lining. Akita Mid Boot, \$160, [keenfootwear.com](http://keenfootwear.com)
- 2 Reclaimed soles and veggie-tanned leathers make these boots planet-friendly. Dome Boot, \$280, [enaturalista.com](http://enaturalista.com)
- 3 Full-grain leather uppers are 100-percent waterproof, and the boot's inside is softly lined. Captiva High Waterproof Boot, \$200, [merrell.com](http://merrell.com)
- 4 Natural, seamless rubber keeps feet warm and dry. Original Short Gloss, \$125, [hunter-boot.com](http://hunter-boot.com)
- 5 A vegan-leather upper minimizes impact on the planet, and shock-absorbing natural footbeds minimize impact on your joints. Cavalry Boot, \$109, [matissefootwear.com](http://matissefootwear.com)
- 6 A memory-foam insole and anti-microbial lining make these waterproof, vegan boots foot-friendly. Berries Tall Boots, \$149.95, [aetrex.com](http://aetrex.com)
