## PODIATRIC PRODUCTS IN THE NEWS

### Aetrex Footwear Granted APMA's Seal of Acceptance

Aetrex Worldwide, Inc., a global leader in comfort and wellness footwear has received the American Podiatric Medical Association (APMA)'s Seal of Acceptance has been granted to their Essence Heeled Sandals and Pumps, Berries Footwear, and Sandalistas Cork Comfort collections.

**Aetrex Cork Comfort Collection**

The Seal Program recognizes worthy products that contribute to better foot health and ensures the public can make the best possible decisions when purchasing products. The APMA Seal of Acceptance helps Aetrex continue creating accessible options for people in need of healthy footwear without sacrificing fashion and style.
