Stretchable shoe offers comfort and protection

The Apex T2000 from Apex Foot Health & Wellness, a division of Aetrex Worldwide Inc., is designed to provide maximum protection and optimum comfort for individuals suffering from diabetes, arthritis or swollen feet. Part of the Stretchables Collection, the new addition is designed to limit stress at the areas of the foot most susceptible to pain. The collection includes a single hook and loop strap style that offers adjustability and allows easy entry, even for problem feet.
