Apparel and Shoes

Aetrex

Aetrex, a global leader in fashionable and comfortable footwear, has a great line up of shoes for men and women that would be perfect as a Valentine's Day gift to show a loved one how much you care about their comfort in footwear and style.

For women, the Chelsea Riding Boot (\$199.95) is a huge favorite because of its adorable style and extreme comfort. This boot is a must-have for cooler weather and it combines fashion and comfort in an effortless style. The sweater design in the back of the boot accommodates wider calves and provides a comfortable, unique look. They're also waterproof for any unpredictable weather! For men, the Modpods (\$109.95) are a fan favorite. These shoes integrate Aetrex's "Healthy 3" with an innovative bungee closure system, adjustable heel strap for customized support and control, and an innovative floating pod design for lightness and shock dispersement. These shoes are 100% breathable so they can be used for any occasion! Check
